# 2023 State Competitive Cheer

Thank you for celebrating yet another fall season championship across the Palmetto State! Cheer finalists from various classifications are ecstatic to compete at such a great facility. I wish to personally welcome you to today's exciting event. We hope you enjoy the camaraderie and sportsmanship on display on and off the mat.

The dedication and skill to this sport demands are beyond exceptional. In addition to the time and energy, strength, and agility, the sportsmanship and teamwork each athlete put forth led to this day. I ask that you help me celebrate the sport and the athlete. Your support of our generous sponsors is much appreciated as they have a huge hand in making SCHSL Championships a reality. The road to our 2023-24 championships is paved with individuals of all backgrounds who have a passion for athletics, academics, and, most importantly, safety.

Congratulations to our competitors, please know we are proud of your accomplishments and effort. As commissioner of the SCHSL, I'm excited to witness the final competitive cheer performances of the season, knowing you are giving it your best! Thank you to all who took part in the preparations for today's championships... from our athletes to coaches, fans to volunteers, and staff to sponsors. Thank you for giving high school athletics the commitment and dedication it takes to compete at the state level. I ask we all cheer for each team, and each athlete and keep that winning mentality as we head into the holiday season.
